MAIL STOP AMENDMENT
COMMISSIONER FOR PATENTS
P.O. BOX 1450
ALEXANDRIA, VA 22313-1450

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Under 37 C.F.R. §§ 1.56, and 1.97-1.98

SIR:

Pursuant to the provisions of 37 C.F.R. §§ 1.56 and 1.97-98 of the Rules of Practice in Patent Cases, enclosed herewith is form PTO-SB-08 listing several references.

The Examiner is requested to make these references of official record in the application. The references cited may be material to examination of the application and are submitted in compliance with Applicants' duty of disclosure as defined by 37 C.F.R.

{00133957v1}

§ 1.56. No representation is made or intended as to the completeness of this list, nor is the inclusion of any reference an admission that it is prior art or pertinent to this application.

The Examiner's attention is drawn to the non-patent reference "Guitar Graphic Magazine." This reference was originally submitted to the Patent Office on May 11, 2004; the Patent Office mail room received both the reference and related Information Disclosure Statement on May 14, 2004. The Examiner for this application (Kimberly Lockett), subsequently contacted the applicants' representative by phone requesting a copy of this reference. It is unknown if the copy initially sent to and received by the Patent Office was illegible or misplaced. Notwithstanding the disposition of the reference, applicants' representative provided a copy of the reference via facsimile on June 23, 2004.

In an office action dated June 28, the Examiner indicated a clear copy of the reference was not provided and 'struck out' the reference on the copy of PTO/SB/08B returned to the applicants along with the office action. The applicants would respectfully request that the Examiner refer to U.S. patent application 10/725,821. This application is referenced in the 'cross-reference' section of the present application and is currently under examination by the same Examiner—Kimberly Lockett—in the same art unit. The aforementioned "Guitar Graphic Magazine" reference was cited in U.S. patent application 10/725,821 and has been identified as having been considered thereby suggesting this copy of the reference is legible.

{00133957v1}

The Commissioner is authorized to charge Deposit Account 06-600 for any fee that might be due. A duplicate copy of this statement is included for this purpose.

Respectfully submitted,
Sharon C. Devereaux
